Ok, sorry about that! If we can't bill for her it's ok, it was only 2 nights. Just let me know. Thanks for your help!

Hi Angel - Without deleting the discharge, there's no way to do the monthly report. In the future, I would recommend doing the monthly report prior to discharge. Will work with ITSD on how to delete the discharge so you can enter her monthly report.

**Subject:** Quick Question on Monthly Report

We had a girl [REDACTED] that came into our program but only stayed for 2 days. Kimberlee entered her info in the A2A system and then discharged her 24 hours after she left. But now I can't do the monthly report. Is there any way we can do this? She was only with us for 2 nights, so if we can't bill for her now that is fine I just wanted to ask and see. From now on before a person is discharged from our program do we need to submit the Monthly Report before discharging her?

Thanks for your help!
